Mr. Matthew Baird  
Director of Training  
Central Intelligence Agency  
2430 "E" Street, N.W.  
Washington 25, D.C.

Dear Mr. Baird:

The Naval Intelligence School conducts an annual two-week refresher training course for Naval Reserve Intelligence Officers. This year's course is scheduled for the period 19-30 June. The officer students attending the course will come from those Naval Districts east of the Mississippi River, and while it is too early to state what the average rank will be, previous years have seen classes composed primarily of commanders and lieutenant commanders whose knowledge of and interest in national and international affairs is well above-average.

This year it is desired to present lectures on certain subjects which it is felt could best be presented by officers from the Central Intelligence Agency. If it is feasible, therefore the school would very much appreciate the presentation of lectures by members of the CIA on the following subjects at the times indicated:

Date	Time	
19 June 1961	1030-1230	The National Security Council - The Intelligence Community
19 June 1961	1330-1530	National Intelligence Estimates
23 June 1961	0900-0950	Soviet Intelligence Systems
29 June 1961	0830-0950	Soviet Space Vehicles

Each officer in the class will have a security clearance for access to information classified up to and including Secret.

If any further information is necessary or desired, please call LCDR J. M. Mc Nabb, USN of my staff who has been designated course coordinator. He can be reached on Government tie line 1215, ext. 458.

Sincerely,

  
B. E. WIGGAN  
Captain, U.S. Navy
